2021**

ABOUT THE COMPANY

IC Solution (ICS) is a digital service provider that aims to provide software, designing and marketing solutions to individuals and businesses. At ICS, we believe that service and quality is the key to success

We provide all kinds of technological and designing solutions from Billing Software to Web Designs or any custom demand that you may have. Experience the service like none other!

Some of our services include:

Development - We develop responsive, functional and super-fast websites.

We keep User Experience in mind while creating websites. A website should load quickly and should be accessible even on a small view-port and slow internet connection.

Mobile Application - We offer a wide range of professional Android, iOS & Hybrid app development services for our global clients, from a start up to a large enterprise.

Design - We offer professional Graphic design, Brochure design & Logo design. We are experts in crafting visual content to convey the right message to the customers.

Consultancy - We are here to provide you with expert advice on your design and development requirement.

Videos - We create a polished professional video that impresses your audience.

OVERVIEW OF THE PROJECT

Sripathi Panditaradhyula Balasubrahmanyam (4 June 1946 – 25 September 2020), also referred to as S. P. Balu or SPB, was an Indian musician, playback singer, music director, actor, dubbing artist and film producer who worked predominantly in Telugu, Tamil, Kannada, Hindi and Malayalam.

Affectionately called as ‘Balu’ in his friends’ circle, SPB made his singing debut in 1966 with the Telugu movie Sri Sri Sri Maryada Ramanna, and went on to sing over 40,000 songs in as many as 16 languages including Telugu, Tamil, Malayalam, Kannada, and Hindi.

He also won the Guinness World Record for recording the highest number of songs by a singer.

He bagged six National Film Awards for Best Male Playback Singer for his songs in four different languages (Kannada, Telugu, Tamil, and Hindi), as well as 25 Andhra Pradesh state Nandi Awards for his work in Telugu cinema, apart from numerous other state awards from Karnataka and Tamil Nadu.

In addition, he also garnered six Filmfare Awards. In 2012, he received the state NTR National Award for his contributions to Indian cinema. In 2016, he was honored with the Indian Film Personality of the Year consisting of a Silver Peacock Medal.

He was a recipient of civilian awards Padma Shri (2001) and Padma Bhushan (2011). On September 25, 2020, he died in MGM Hospital due breathing difficulties, even though he recovered from COVID-19

ABOUT EOTO

My project includes HTML and CSS i.e. Hypertext markup Language and Cascading style sheet. Html allows us to create and structure section, paragraph, headings, links, images and quotes for the webpages and application.

CSS is used for defining the styles for web pages. It describes the look and formatting of a document which is written in the markup language. It provides an additional features to HTML. It is generally used with HTML to changes the style of web pages and user interface. In my project we have used text style, margin, padding, hover, background color, wrap and many more.

CSS are of three way you can use to implement CSS : Internal ,External and Inline Styles

In CSS you can assign and control the style of HTML elements on a web pages using a number of selectors. ID and Class are two of the most used CSS selectors that not only help with building the layout of the HTML document but they help in styling it. It control the layout of webpages all at once.

ADVANTAGES and CHALLENGES

Advantages:

This project helped me create webpages, use more tags. This allows carry check of syntax.

It is very useful for beginners in web field.

Utilization of templates, makes the designing a webpage easily

CSS can control the color of the text, the style of font and spacing between the paragraph this even saves time and can be easily maintained.

This project has also made me know more about S P Balasubrahmanyam sir. This has made me know about the no of songs sung by his , the awards won by him, his life style and more information on his career.

Challenges:

There are many challenges I had faced.but the major challenges I faced was Collecting information about S P Balasubrahmanyam sir. As there are many things sir has done and not all information can be added in the project . So sorting out on the major activities was the biggest challenge.

Coming to coding part CSS has also become one of the biggest challenge I have faced . we sometimes don't realize where exactly we have to add class.

Setting up of a back button after the page has been set is also another challenge I faced.

Time management is also one of them.

All thought with all this after facing so many challenges, I had a very good experience of doing this project.

TOOLS USED

Software Requirements

- Visual Studio Code 2019.
- Google Chrome or Microsoft Edge of latest version.
- Front End : HTML, CSS,JS(optional)
- Linux 7.1 or Windows XP/7/8/10 OS or Mac OS

Hardware Requirements

- Pentium 200-MHz computer with a minimum of 64 MB of RAM (128 MB of RAM recommended).
- Monitor with a refresh rate of atleast 40Hz for a smooth GUI experience (optional).

IMPLEMENTATION

Source Code(home.html)

46 <p>Sripathi Panditaradhya Balasubrahmanyam (4 June 1946 – 25 September 2020), also referred to as S. P. B. or Balu, was an Indian musician, playback singer, television
```

The screenshot displays a Windows 10 desktop environment. The primary focus is a Notepad++ text editor window titled 'homm.html'. The editor's content is an HTML document for a biography of S.P. Balu. It features an image placeholder for 'balu.jpg', a detailed paragraph about his life (born 1946, died 2020), his career as a musician and actor, and a list of awards including the Filmfare Award and the Padma Shri. The code is written in a mix of English and Telugu. The Windows taskbar at the bottom includes the Start button, a search bar, and icons for various applications like File Explorer, Edge, and Notepad++. The system tray shows the date and time as 10:57 PM on 16-09-2021.

```

46 <div>
47     Sripathi Panditarudhyula Balasubrahmanyam (4 June 1946 – 25 September 2020), also referred to as S. P. B. or Balu, was an Indian musician, playback singer, television
48     actor, dubbing artist, and film producer who worked predominantly in Telugu, Tamil, Kannada, Hindi,
49     and Malayalam films.</div>
50
51
52 <div>He won six National Film Awards for Best Male Playback Singer for his works in four different
53     languages: Telugu, Tamil, Kannada, and Hindi; 25 Andhra Pradesh state Nandi Awards for his work
54     in Telugu cinema, and numerous other state awards from Karnataka and Tamil Nadu.</div>
55
56 <div>In addition, he won the Filmfare Award, and six Filmfare Awards South.
57     According to some sources, he held the Guinness World Record for recording the highest number of songs by a singer
58     with over 40,000 songs. He recorded 21 songs in Kannada for the composer Upendra
59     Kumar in Begaluru from 9 am to 9 pm on 8 February 1981. In addition, he recorded 19 songs in
60     Tamil and 36 songs in Hindi in a day, which has also been called a record.
61     In 2012, he received the state NTA National Award for his contributions to Indian cinema.
62     In 2016, he was honoured with the Silver Peacock Medal as Indian Film Personality of the Year.
63     He was a recipient of the Padma Shri (2001) and Padma Bhushan (2011) from the Government of India.
64
65     On 25 September 2020, he died in Chennai from post COVID-19 complications.</div>
66 </div>

15   </div>
16   A talent with an amazing range. An inflection that can capture every human emotion.
17   An energy that is prolific and prodigious. Can all these attributes dwell in one singer?
18   To millions who know him, SPB has all these and more. Speaking of Rafi, Iqbal once said that even audiences who did not speak Hindi
19   were moved by the emotive power of his voice. The same can be said of SPB's voice. In a single concert, he in a single collection,
20   SPB can take his listeners along with him on a rich and colourful emotional journey across states of mirth and melancholy, romance and revelry,
21   reflection and abandon, leaving them ecstatic and breathless. His passionate portrayal of ashline emotions makes his audiences experience them together,
22   uniting their souls as differences disappear and a sense of oneness prevails, which is arguably the greatest compliment, a categorical and conclusive
23   acknowledgement of his contribution and service to Art and Mankind.
24   Making his debut in 1946 as a singer (Sri Sri Sri Maryada Samana) for music director and mentor Kodanlalani,
25   SPB has sung over 35,000 songs in Telugu, Tamil, Kannada, Malayalam, Hindi, Tulu, Oriya, Assamese, Badaga, Sanskrit, Konkani, Bengali, Marathi, Punjabi and English.
26   He holds the record for the most number of songs rendered by a playback singer. Much loved by everyone in the film industry,
27   SPB is highly regarded by musicians and composers for his versatility and virtuosity.

17
18   <p>
19     His avatar as an actor is SPB's gift to the millions of his admiring fans. A human being who gives his all to every endeavour,
20     SPB enjoys his performances so much so that his dedication and sincerity are evident in every character he plays.
21     Equally manifest is the enthusiasm and verve that he experiences through the opportunity to perform with other actors.
22
23     For his fans SPB as an actor is a most natural extension of his warm and sincere personality.
24     They have always "heard" him "act" while singing and seeing him in celluloids served to bring him closer to them.
25
26     SPB thrilled his audiences with memorable roles in over 45 film titles, especially in penathil sruthi vandham, thiruda thiruda, keladi tamizai, Sikuram in Tamil;
27     Pavithra Bandham, Mayabazar, Pakkinti Ammayi in Telugu; Muthina maava, Manapalayam thanthanasana, Naalundi chadhiranga,
28     in Kannada to mention a few memorable performances. Apart from the silver screen, he has also donned character roles in Tamil and Telugu TV Serials for
29     various television channels. </p>

18 SR has often spoken of his immense respect for the classical tradition of India and his reverence for composers,
19 modest and unassuming about his achievements, SR has explored his capability as a composer without fuss and fanfare,
20 given his passion for music and the close and long association he enjoyed with many great music directors,
21 SR's turning into a composer himself was but a short leap for him. He has set music and tunes for 45 films in Telugu, Kannada, Tamil and Hindi films.

17 SPM produced the critically acclaimed and award-winning "Sudha Sankalpam" in Telugu with Kamal Hassan in the lead role
18 and directed by the highly talented K.Viswanath. He has produced films in most of the southern Indian languages,
19 including the dubbed version of "Nayagi" in Tamil (1984) for which he had composed music as well and won the Andhra Pradesh state award for the
20 original Telugu score.</p>
